Where Stories Unfold and Snacks Disappear

Restart TV & Catch up TV

Start a show from the beginning, even if you're late to the couch. Missed it yesterday? Catch up like it never happened. No schedules, no stress—just press play when it works for you.

Cloud DVR

Save your favourites, revisit them anytime, and pick up right where you left off—whether you're on the couch, in bed, or sneaking in an episode on the go.

Streams

With room for everyone to watch their own thing, there's no more fighting over the remote. Just easy, shared (or not-so-shared) entertainment.

Watch TV Everywhere

From movie nights to midweek escapes, stream effortlessly across your devices—and dive even deeper with apps that bring more of what you love, all included.

Live Channels, On-Demand, and Total Control

Effective April 15, 2026

Your escape starts with CityWest Stream TV. Dive into your favourite shows, movies, music, and apps anytime you need to switch off.

Watch on Android, Apple, and Amazon devices, and personalize your lineup with premium channels, theme packs, and add-ons.
