Department **Outside Plant (Prince Rupert)**
Position
Hours of Work
Salary
Reports to **Vice President, Outside Plant**

Nature of Work:

The Line technician position is responsible for all new and existing outside plant structures owned or leased by CityWest. This position will work closely with the Construction Foreman to organize and schedule daily duties in all communities. This position requires a healthy individual when dealing with conflict resolution.

Principal Accountabilities:

- To ensure the efficiency of deployment of the technician workforce
- To monitor that reasonable standard of quality and performance are maintained by the construction workforce.
- Coordinates inventory and maintenance records of equipment and parts
- Act a mentor and guide in supporting employees, as directed by the Construction Foreman Outside Plant
- Must be able to lift to 50lbs.
- Must have extensive knowledge of reading maps/drawings.
- Must be able to climb poles.
- Must be able to maintain a safe work environment and follow company safety rules and procedures.
- Must be proficient in pole transfers, cable placement in all underground and aerial applications.
- Work with other departments on-site survey requests, build costs & timelines for installation of services.
- Provide customer quotes for service as required.
- Other related duties as assigned.

Required Education

- Secondary School Diploma

Qualifications and Experience

- linework experience in the outside plant.
- Clean drivers abstract.
- Class 3 & Air Brakes endorsement
- In-depth knowledge and experience with CityWest processes, tools, and workflows
- Must demonstrate a predictable and reliable attendance record.
- Excellent verbal and written communication and presentation skills
- Positive can-do attitude; able to work as part of a team and independently.
- Must be able to handle confidential information in an ethical and professional manner.
- Must be able to assess and determine priorities and contribute to continuous improvement.
- Demonstrated project coordination and managing skill.

Skills and Competencies:

- Ability to interact and communicate professionally with a diverse group of internal and external stakeholders (peers, customers, supervisors, managers, and subject matter experts).
- Ability to work independently, with limited supervision.
- Healthy analytical, critical thinking, and writing skills, including a thorough understanding of the outside plant.
- Ability to multi-task
- Organized, attentive to detail.
- Ability to thrive in a fast-paced environment.

Line Technician

Please note that interviews and assessments may be required to determine the skills and qualifications for the position. Please submit a cover letter, resume, or a City West Internal Application to the attention of Human Resources at City West, 248-3rd Avenue West, Prince Rupert, B.C. or by email to recruitment@cwct.ca
